Notice the album cover on the chair next to this “CIA Presidential Model” – it has the name of her alias cover --- Stan – or Stanley. (S.A.D. = Stanley Anne Dunham)

The CIA file contained a total of 15 B&W photos of “Stanley” – these three being the least objectionable.

“Presidential Models” are basically Project Monarch “Sexual Slaves” which the CIA provides as a “service” to elite heads of state, and others.
